

# Doing Business in Birmingham

**Check out our webpage at:<http://doingbusinessinbirmingham.wikis.birmingham.k12.mi.us/>**

**We are fifth and sixth grade students at Birmingham Covington School and we have been learning about how local businesses fulfill the needs and wants of the local community. It is important to us that we live in a sustainable community.**

**Our webpage is a resource for our local businesses to help them learn about the benefits of sustainability and the simple steps they can take to get there. We also have a honor roll page , which celebrates local businesses that are leading the way**
